Condition of Disabled Persons

1629. SHRI MADHAVRAO SCINDIA : Will the Minister of WELFARE be pleased to state :

(a) whether the attention of the Government has been drawn to the news-item captioned "Disabled a neglected lot in India" appearing in the 'Hindustan Times' dated January 9, 1997;

(b) if so, the details thereof; and

(c) the reaction of the Government thereto along with the steps taken to improve the condition of the disabled persons ?

THE MINISTER OF WELFARE (SHRI BALWANT SINGH RAMOOWALIA) : (a) and (b) Yes Sir. The news item mainly focused on the attempts of the "Disabled Peoples" International alongwith 108 NGOs to work out a disability index.

(c) No response has been formulated by the Government so far as the scientific basis of the methodology used in working out the disability index is not known in detail. The steps taken to improve the conditions of the disabled in India are given in the statement enclosed.

Statement

Apart from bringing in a comprehensive piece of legislation, namely the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 which aims *inter alia* at equalisation of opportunities to the disabled and their integration in the mainstream, the Ministry of Welfare has been administering a number of schemes under which grant-in-aid is given to NGOs for undertaking activities for the welfare of the handicapped such as purchase and fitment of aids and appliances, establishment and development of special schools, vocational training, rehabilitation etc.

Four National Institutes catering to different types of disability and two apex level institutes have been running courses so that trained manpower becomes available for the benefit of the disabled. These institutes have also been providing other services for the disabled. The Rehabilitation Council of India, a statutory body has been set up for standardisation of training material, courses and professionals in the field of disability.

The Act of 1995 provides for at least 3% reservation for specified categories of disabled persons in identified jobs under the Government. Employment opportunities for the disabled are also being promoted through provision of vending stalls, kiosks and shops by some State Govts/UT Admns., preference in allotment of Public Telephone Booths and in distribution of petrol pumps, kerosene depots etc. 47 Special Employment Exchanges and 41 Special Cells in the normal employment exchanges have set up by State Govts to help in placement of the disabled persons. 80% of the expenditure on setting up special employment exchanges and 100% of expenditure on special cells is borne by the Central Government.

A National handicapped Finance & Development Corporation has been incorporated recently to provide loans on easy terms to the handicapped persons to set up self-employment ventures.

Hague Convention on Child Adoption

1630. SHRIMATI BHAVNABEN DEVRAJ BHAI
CHIKHALIA :
SHRI KASHI RAM RANA :

Will the Minister of WELFARE be pleased to state:

(a) whether the Hague Convention on the Child adopts 1993 was ratified by India;

(b) if not, the reasons therefor;

(c) whether the rules for adopting a child in India are different from that of foreigners;

(d) if so, the reasons therefor;

(e) whether the Government propose to bring in a uniform adoption Act;

(f) if so, the time by which it is likely to be brought; and

(g) if not, the reasons therefor ?

THE MINISTER OF WELFARE (SHRI BALWANT SINGH RAMOOWALIA) : (a) No Sir.

(b) Various clauses of the final Act of Hague Convention held at Hague on 10-29th May, 1993 are being examined in this Ministry in consultation with other concerned Departments, before a final decision is taken on the Act.

(c) and (d) At present in India children can be taken in adoption under two different Acts. Hindus, whether residing in India or abroad, can adopt a child under the Hindu Adoption and Maintenance Act (HAMA), 1956 whereas persons belonging to other religions such as Christian, Muslims, Parsees, Jews etc., whether Indian citizens or foreign citizens, can take a child under guardianship under Guardian and Wards Act, 1890.

However, in the case of Inter-country adoption of orphaned and destitute children, Ministry of Welfare, Government of India has issued Revised Guidelines dated the 29th May, 1995 laying down the procedures and guidelines to be followed for such adoptions.

The reason for a different set of rules for inter-country adoption as prescribed in the Revised Guidelines is that it provides a number of safeguards and procedures which have to be followed by all concerned agencies which include the State Government, Placement Agencies, foreign agencies, foreign adoptive parents, Ministry of Welfare, (CARA) etc. in order to protect the interests of the children who are sent abroad for adoption purposes.

(e) and (f) No Sir.

(g) The Adoption of Children Bill to provide for a Uniform Law on Adoption applicable to all communities was introduced in Parliament in the year 1972 and also in the year 1980 but in view of vehement opposition from the Muslim and Parsi communities respectively the proposals were dropped. At present there is no proposal to make a Uniform Law on Adoption under consideration of the Government of India.

(c) whether similar representations have been received from the other States as well; and

(d) if so, the response of the Government thereto ?

THE MINISTER OF FOOD AND MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) to (d) Till 1.4.1996 the transportation charges were reimburseable either on the basis of (a) actual railway freight or (b) actual transportation charges by road at the rate approved by the State Govt. limited to the rate of transportation charges approved by the FCI for transporting foodgrains in that State. Where the FCI's rates are not available, the State Govts. rates be allowed limited to the actual railway freight. Where FCI's rates and rail head is not there, State Govt. rates may be allowed.

Government received a series of representations from different State Govts. including from Govt. of Gujarat to allow reimbursement of the actual minimum cost of transport. Considering their problems, it was decided to revise the guidelines for transportation charges w.e.f. 1.4.1996.

Now the transportation charges are payable on a flat rate for each State to be fixed on the basis of audited figures of expenditure incurred for previous years duly approved by the State Government concerned.
